

BE A FRIEND TO THE BERRY MUSEUM

Become a Member of the BERRY AND
DISTRICT HISTORICAL SOCIETY

IT NEEDS YOUR SUPPORT

The BERRY & DISTRICT HISTORICAL SOCIETY Inc. is a voluntary, not for profit organisation which promotes knowledge of the unique history of Berry, its cultural heritage together with its natural beauty. The Museum needs people who have chosen to live here to promote and protect it. By becoming a friend, you can increase your knowledge about the Museum as well as recommending it to visitors and locals. This enables the Museum to stay open to visitors, providing access to research resources. Support of both the community and Shoalhaven Council is vital. We depend on members, visitors, private donations and grants for finance.

As a friend you will have access to all the information at the Museum. You will be included in all social activities as well as receiving regular news of what is happening in the Museum and interesting historical items.
